Statement – The U15 mourns the victims of plane crash in Iran

January 9, 2020 (OTTAWA, ON) — The U15 Group of Canadian Research Universities is mourning the loss of those killed in the crash of Ukraine International Airlines Flight PS752, including the 63 Canadians that were on board, many of whom were members of the Canadian academic community.

The U15 extends its deepest condolences to the families, friends, colleagues and loved ones of the victims of this tragedy.
